April 20, 1981

Mr. David Doyle
Enforcement Division
U. S. Environmental Protection Agency
Region VII
324 East 11th Street
Kansas City, Missouri 64106

Dear Mr. Doyle:

This will confirm my telephone call to you today advising you that all of the paint sludge (67 drums) has been removed by Bob's Home Service.

Reference Numbers:

Perfection Manufacturing Company	
Generator I. D. #01194	MOD041885856
Bob's Home Service	
Transporter No. H-1002	MOD068521228
Bob's Home Service	
Disposal Facility - TSD Facility Permit	
No. 721901 (LF01)	MOD068521225

For future, we have contracted Bob's Home Service to remove prior to each ninety (90) days the 2 - 3 drums we generate per month.

Sincerely,

Ward A. Buck, Jr.
Vice President - Manufacturing
